Sirs:

Prior to examining the case, please enter the following amendment to the claims:

**IN THE CLAIMS:**

Please cancel claims 1-51 and add the following claims:

52. A method for providing computer suggested image processing, comprising:  
identifying an attribute of a first image by a computer;  
automatically selecting a new value, for a product attribute of an image-based product  
incorporating at least a portion of the first image, based on the image attribute; and  
receiving an order for the image-based product having the product attribute including the  
automatically identified image attribute.

A1

53. The method of claim 52, further comprising:  
displaying the first preview image of the image-based product.

54. The method of claim 53, wherein displaying the first preview image of the image-based  
product includes:  
downloading the first preview image to a client computer; and  
displaying the first preview image on the client computer.
